## Parent(s)/Carer(s) Agreement to Participate

I/We, agree to participate with Aboriginal Families as First Teachers and for the information that I/We provide to the Ngroo Education team to be shared with relevant services for the purpose of providing a referral pathway.

Your privacy and confidentiality is important to us. We believe information you share with us belongs to you. For this reason, we will only discuss your situation with other people or services we can refer to.

You have the existence of any right of access to, and correction of any information that is kept about you or your children.

I understand that this information will be collected and stored within Ngroo Education client management data system will not be available to anyone else without my permission, except where it is required by law or our funding agreement.

PLEASE NOTE if there are safety, welfare or wellbeing concerns, we will by law report our concerns to someone who can do something about the safety issues, such as police, Family and Community Services or mental health specialists.
